

GABLS1: selected TKE budget terms

— WENO9 / no SGS - - WENO9 / Smagorinsky
 - - WENO5 / no SGS ···· 1.0 m archive median (fixed reference)

Breeze: 8–9 h means; only fully completed and audited exports. Shown budget terms do not form a closed budget.
 A budget residual must not be interpreted as numerical dissipation; unavailable terms are not replaced by zero.
 Black dots: fixed 1.0 m ensemble median; interpolation precedes the median. Unavailable references are labeled.
 Archive caution: 1.0 m IMUK SGS data contain upper-level anomalies; retained as supplied and flagged in the report.
